## From the Editor's Desk

Dear Viewer,

Greetings from the IISSM!

It gives me pleasure to share that IISSM successfully conducted six days customised program on Certified Security Practitioners (CSP) at Secunderabad, Telangana for large number of participants. The course report is published for your perusal.

I also take this opportunity to inform you that IISSM has recently tied up with Telecom Sector Skill Council (TSSC) of India, a part of NSDC under the newly launched Skill India initiatives of the Govt of India. The Programs structured and conducted by the IISSM in collaboration with the TSSC will be jointly certified by IISSM and TSSC.

You would be glad to know that IISSM has since acquired Baggage Scanning & X-Ray Image Interpretation Machine at our New Delhi location. IISSM would be one of the few agencies conducting Baggage Scanning Program for Scanners very shortly.

Wishing you Safe & Secured Days ahead.

Good Luck & God Speed!
