## From the Editor's Desk

Dear Viewer,

### **Greetings from IISSM!**

As we notice, there is a sudden change in the climate with temp crossing 38 degree Celsius in many parts of the country by middle of Apr 2018. This sudden setting in of summer also indicates that the use of electrical gadgets such as ceiling/ table Fans, Desert Coolers, ACs and so on, will be switched on now. So, to avoid any untoward incident especially due to electrical fault leading to an accident, do get your gadgets serviced by an expert locally. This always helps in enhancing the life of your gadgets as also takes care of any accidents etc. You would be glad to learn that we successfully conducted a four days training program on Certified Security Practitioner (CSP) from 9<sup>th</sup> to 12<sup>th</sup> Apr 2018.

We are now gearing up to conduct three days program on Baggage Scanning & image Interpretation from 23<sup>rd</sup> to 25<sup>th</sup> Apr 2018.

**Wishing you Happy Ramnavami & safe fortnight ahead.**

Good Luck & God Speed!
